# ÉLITE

collection

La collezione Élite si propone come linea speciale realizzata tramite la fusione in terra che permette di produrre pezzi unici caratterizzati dall'espressività della finitura che diventa narrazione di un'artigianalità esclusiva, appunto elitaria. Le imperfezioni e le irregolarità della finitura del materiale diventano quindi l'elemento distintivo per il prodotto.

*Born from a old technology "Élite collection" is a special line realized through sand casting processes which allow the production of unique pieces characterized by the expressiveness of the finishing, which becomes a narration of exclusive craftsmanship. The imperfections and irregularities of the finishes therefore become the distinctive element of the product.*
